

## ***Bacon Ranch Pasta Salad***

### **INGREDIENTS**

- 16oz Box Noodles
- 8oz Block Cheddar Cheese
- 8.5oz Can Peas & Carrots
- 6oz Bag Bacon Bits/Pieces
- 16oz Bottle Ranch Dressing

### **DIRECTIONS**

1. Take boiled noodles & place them into a large mixing bowl. Make sure the noodles are cold. Spray with cold water to lower the noodle temperature if needed. This will reduce any chance of the noodles melting the cheese later.
2. Add the can of drained peas & carrots.
3. Now pour in those bacon bits!
4. Time for the cheese. Slice the cheese into small squares before adding.
5. Pour the entire bottle of ranch into the bowl.
6. Add salt & pepper to taste!
7. Mix well.
